We Continue to Reopen Meal Sites

We are pleased to announce that we are reopening the third congregate meal site in June. The Coulliette Senior Center Meal Site reopened in March for three days a week on Mondays, Wednesdays and Fridays. In April, the Callaway Meal Site reopened two days a week on Tuesdays and Thursdays. On June 7th, the Fountain Meal Site will reopen for one day a week on Mondays. (Addresses for these meal sites are listed on page 6.)

It is so good to have seniors back at the meal sites after being closed for a year! The fellowship and socialization, as well as receiving a hot, nutritious meal, is so beneficial for seniors. They are visiting with friends, exercising, playing card games and bingo, and keeping busy with other activities.

As we continue to “get back to normal” (although in Bay County I’m not sure any of us truly know what normal is after a hurricane and pandemic) we are starting to schedule speakers and programs at the meal sites. To start us off, Jerry Tabatt with Crime Stoppers will be speaking at the Callaway Meal Site on June 8th and at the Coulliette Senior Center Meal Site on June 16th. Come out to hear how to stay safe in our community.

Stay tuned for future programs and speakers to be announced...

Time: 12:30 pm
Where: Coulliette Senior Center in the “Big Room”
SEE YOU THERE!

Our agency was represented at the first ever Waller Elementary Community Event. This gathering highlighted community resources was held on Saturday, May 15th. Twenty+ vendors from agencies all over the Bay County area were on hand to showcase their services. We serve meals in the Youngstown and Fountain communities. This event was great to connect with those we are currently serving and outreach to seniors in need who are just hearing about us. These are seniors who want to stay in their homes in the rural area of north Bay County.

Thank you volunteers for serving seniors and allowing them their freedom of choice to live in the place they call home.

Flowers to Brighten the Day
Ann Tyree with the Panama City Woman’s Club brought flower bouquets to distribute through our Meals on Wheels program. Pictured together in our kitchen are Ann Tyree and Ed Deluzain prepared for the deliveries.

WHY DO I NEED AN ELDER LAW ATTORNEY?

This is a question I often hear from caregivers. My answer is this - lawyers, like doctors are specialists. So, if I committed a crime (although I don’t plan on it), I would want a criminal lawyer, not a business lawyer. I want a lawyer who can get me out of jail, not one who can write a contract. Elder law attorneys specialize in all areas that affect seniors. They are well versed in Medicare and Medicaid. They know all of the different types of Powers of Attorney, and can help ensure you get the right one for your particular circumstance. They understand Guardianship and when and why one would be needed. They can help with this process. An elder law attorney can set up a trust to meet your needs, as there are more than one kind used to protect you, your income, and your assets.

Elder law attorneys are often helpful when placement in an assisted living facility or a skilled nursing facility is needed for a senior. They can also assist with wills for estates. Many people are put off by the word ‘estate’ thinking that they really don’t have a big fancy estate. But a will can prevent many arguments and hurt feelings among a family. Often the biggest arguments are over who gets Mama’s rocking chair or who gets Daddy’s Mason ring.

Living wills can also be prepared to ensure a loved one receives as much or as little life support treatment as they desire at the end of their life. The attorney can help a senior document who they wish to be their health care surrogate and make final health decisions for them. An elder law attorney can help with all of this and more. Please attend our Education Caregiver meeting on June 23, 2021 at 1:00 pm with guest speaker Angela Warren, Elder Law Attorney. Take this opportunity to ask her all of your questions.
